Gospel Values	Description
SPIRITUALITY	We believe that our God wants to heal and save people and calls us to work in oneness with the will of God which we actively seek through prayer.
FOCUS ON THOSE SERVED	We work to understand their ministries, needs and expectations, remembering to ask how we can improve our service to them.
STEWARDSHIP	We generously serve others by developing and sharing the gifts, talents and resources God has entrusted to us.
TEAMWORK	We collaborate and partner with our co-workers, parish leadership, and others and strive to recognize and respect all their God-given abilities, manifest trust, and support moral integrity.
BIBLICAL HOSPITALITY	We warmly welcome all in the Spirit of Jesus, creating grace filled partnerships where we reconcile differences and bring life to each other.
CHRISTIAN OUTREACH	We hold sacred all of life and minister to those in need, strive to humanize society, and challenge all to respond to the issues of suffering and injustice.
OPENNESS TO CHANGE	We listen for the guidance and wisdom of the Holy Spirit and are open to the possibilities of change for growth and improvement.
